

# SOAPS & CLEANSERS

## bag-in-box system

- The only 100% hygienic way to provide hand soap (bacteria can breed in any refillable soap or hand cleanser system)
- Supremely convenient and clean
- The "valve" is renewed with every cartridge, so it won't wear out and leak onto floor or sink
- Low cost dispensers - no major investment needed.

## hand soaps and sanitisers

### 1000ml cartridge system

code	description
